

Provisional career guidance programme for university choice and preparation

1. Tailored motivational lectures to all year groups. A small sample of topics covered includes:
 - Where do I want to study?
 - Different kinds of universities
 - Types of courses
 - How to research courses
 - Boosting your skills – extracurricular activities
 - What makes a good UCAS personal statement
 - Financial issues
 - Getting the most from a university visit
 - Choosing A-levels and vocational qualifications (Year 11)
 - Choosing GCSEs and vocational qualifications (Year 9)
2. Twenty minute individual consultations for students about their futures
3. One-to-one consultation with Year 13 students writing the personal statement
4. Subject specific advice for smaller cohorts of students, for example:
 - Applying to Oxford and Cambridge
 - Applying for Physiotherapy
 - Applying for Art and Design
 - Applying for Architecture
 - Applying for Psychology
 - Applying for Law
 - Applying for Medical and Dental school
5. Mock interviews and interview technique
6. Applying to universities abroad

*A bespoke programme can be negotiated to suit schools' and colleges' individual requirements.
